**RE: UIC Permit Application - Permit #R9UIC-CA1-FY11-2
Administrative Review**

Dear Mr. Pellens,

We reviewed your application, dated January 18, 2011, for a Class I Nonhazardous Underground Injection Control (UIC) permit, in order to determine its administrative completeness. We found your application is administratively complete.

The Technical Review phase will be in progress until we make a preliminary permit decision. During our Technical Review, we may determine that additional information is required to continue our review. In such instances, we will request such information in hard copy (2 copies) and ask you to update the electronic copy of the permit application.

If you need to discuss this further, please do not hesitate to call George Robin of my staff at 415-972-3532, or contact me at 415-972-3971.

Sincerely,

David Albright,
Manager, Ground Water Office
